Sex In Sin City With The Digital Playground Girls

By Rob Perez

Las Vegas, NV—During our recent trip to the Adult Entertainment Expo, we met a bunch of our favorite porn babes that we couldn't prevent our fuck sticks from chubbing up in the middle of the Hard Rock Hotel & Casino. When it came time to interview the hotties from Digital Playground—Jesse Jane, Kayden Kross and Bibi Jones—we made a mad dash to the restroom, took care of ourselves twice just to be on the safe side, and made our way past the huge crowds to speak to our favorite lineup of contract stars. Needless to say we started chubbing up again, and yeah the girls did notice, but as always the Digital Playground girls put us at ease and gave us some pretty sexy answers to questions we've always wanted to ask.

Always the most popular girls at AEE, the Digital Playground girls are the rock stars of the adult industry, with their films always ranking high on the AVN sales charts. Last year saw the studio release its big budget parody *Top Guns*, while later in the year Digital Playground released it's original, critically-acclaimed boxing epic *Fighters*. Even today, it stands out among one of the greatest adult films ever made. It definitely caused serious boner issues for us as we watched Jesse and Kayden pull off amazing moves, breaking a sweat and getting rough, and those were just the sex scenes! This year the studio plans on releasing four big budget films starring all six Digital Playground girls, including the MILF-themed *Mothers and Daughters*, and a sequel to *Nurses*. The Digital Playground girls can come by the CHERI offices and play doctor with us anytime!

CHERI: Do you love the attention you're getting from all these guys right now?

Jesse Jane: I love attention. *(Laughs)* Guys and girls. Yes, definitely.

Bibi Jones: Of course. I love attention. I love to feel wanted.

Kayden Kross: I love the attention when I'm going to a place where I'm going to be a part of that. When I'm just trying to go about in my daily life and I'm in my sweats and sunglasses, I want to be left alone.

And not just by guys; by everybody. I'm naturally an introvert. I'm a hermit. I'm not super sociable. I can be on for four hours, six hours at a time and then my energy is just gone.

CH: So there are two of you—there's a porn side of you and then there's the more non-porn side?
KK: There are two of me. *(Laughs)* There's probably more than that but there's at least two. *(Laughs)*

CH: Right now you're the porn star Kayden Kross. You kind of have to be.
KK: Well, it's not that I have to be. I like this. It's just the constant, 24/7 I'm not good at.

CH: Bibi, how excited are you to be here at AEE/AVN?
BJ: I'm so excited because I'm up for some awards this year. I wasn't up for anything last year. I'm up for Best New Starlet, Best Group Sex Scene and Best Feature. I'm so happy!

CH: Is this your first time at AEE/AVN?
BJ: It's my second AVNs. I was so new last year that I wasn't nominated for anything.

CH: Being that you and the rest of the Digital Playground girls are so busy is there time to have fun or have sex during the convention?
BJ: Yeah, there's always time to have sex. I just go to the bathroom and have a little quickie. He came inside my mouth so there wasn't any evidence.

CH: Define what a pornstar is and would you consider yourselves porn stars?
JJ: I am definitely a porn star. There is a difference. You have porn girls and porn stars. A porn star actually likes sex, will be crazy, doesn't look at the camera, and is actually there to fuck. Do you know what I mean? They do interviews, everything. They're always working.
BJ: I don't consider myself a porn star because I haven't been in the industry for very long. I consider myself a girl that does porn. Maybe a porn starlet. I think if you want to be considered a porn star you should be in the industry for more than five years. Have name recognition, maybe even some mainstream roles.
KK: I am a porn star. I think it's kind of a shifting changing thing all the time. I think there a few "porn stars" left. I would say the ones who are porn stars are the ones signing at the big booths.

CH: Who do you consider a genuine porn star in the business?
JJ: Well Riley Steele, she's awesome. Kayden Kross obviously. Jenna Jameson was, Tera Patrick, they were stars. Kirsten Price, Alektra Blue, Jessica Drake, Gina Lynn, there's a lot of great girls.
KK: I think the premier one is Jesse Jane. Belladonna, Jenna Haze, Lisa Ann. These are the type of girls you can drop their name anywhere and people know who you're talking about.

CH: Who would you consider the sexiest girl in porn?
KK: I think Stoya is one of the sexiest. She has a real sensuality that most girls can't mimic. Hers just exudes. It's not her putting on Stoya. She wakes up with it. It's the skin she wears.

CH: What was your favorite movie you did last year?
JJ: *Fighters*, oh my god. I trained for three months to learn how to box and gain weight. I had to gain weight for the part and learn how to box and it was so fun. In fact I box once a week now because I ended up loving it. It was nice to challenge myself and take that character home

29345

29691

because I had to train two hours every day. Boxing, then cardio, then eat every hour and a half to two hours. I really had to challenge myself and it's the movie I'm most proud of.
BJ: Probably our new series called *Cola*. I'm a drug lord in it. I play a bad ass. *(Laughs)* It's pretty cool, it's fun.
KK: I really liked the role I had in *Fighters*. It was a ton of fun. We did a ton of training so we really got into it. I also got to do the roller coaster of emotions—I had to cry real tears—because I'm getting into the acting so much, it was a great place to really try out all these new things I learned.

CH: Bibi, what films do you have coming out in which you're the star?
BJ: My first one was *The Crib*, and it was my first cream-pie scene. There will be more that will come out soon.

CH: In general why do a lot of girls say they're the best at giving head?
BJ: Probably because they don't have another answer. So they just say that.

CH: Where would you rate your BJ skills?
BJ: Probably a nine.

CH: Can you make a guy cum just from a BJ?
BJ: Of course.

CH: Kayden, you're not really known for your girl/girl scenes so I'll ask you instead who are the hottest guys you love working with?
KK: I love Erik Everhard, I love Manuel Ferrara, I love James Deen. I just discovered Ramon Nomar, he's great. There are other guys that I wouldn't consider hot in your typical sense but there are other performers that I really love working with because they're just filthy. I recently discovered Steve Holmes and I love it from him.

CH: Digital Playground likes to keep their big releases on the down low but are there any big movies DP has coming out in 2012 you can talk a little bit about?
JJ: Well, *Nurses 2*. I know we're shooting four big ones this year. We usually shoot two. They don't tell us because we accidentally slip and say it. But we're shooting four big movies.

CH: Jesse, why do you love writing for CHERI Magazine?
CH: I love writing for CHERI Magazine because you all give me really good subjects to work with and I like to tell these crazy stories to people and talk to them. Anytime anybody hears me talk it's like an interview so it's a question/answer basis. There I get to elaborate on whatever I'm talking about for the magazine. I feel like I'm talking to my fans and CHERI is my favorite magazine to write for.

CH: And it's the only magazine you can express your own opinion.
JJ: Yeah and it's fun. I can tell funny stories. People always want to hear something different. So I can just share these stories.

CH: I know you recently re-signed with Digital Playground. How many more years will you continue to perform?
JJ: I just signed for three more years. I also have a tequila coming out called Diosa. It's the best.

CH: What's the best thing about being a Digital Playground girl?
JJ: DP girls are the number one girls. We're the A-list. We shoot the best movies like *Pirates*, *Island Fever*, we push out a great product. And the people we work for are great. We have a good team.

KK: I've always liked the family atmosphere of being under contract. You're working with the same people day in and day out. I like that stability a lot. I need that.

CH: Kayden, you've been under contract before with Vivid and Adam & Eve. Name one great thing about being under contract for those studios?
KK: Vivid gave me a crash course in the industry. I made a lot of mistakes at Vivid but I was able to make and learn from them and come into another contract with a lot more knowledge than most girls come into. So Vivid was a really good "training wheels" contract. And then Adam & Eve treats their girls so well. I still love everybody there. The hardest part about leaving Adam & Eve was leaving Adam & Eve. It wasn't that I was scared about going into a new contract. I didn't want to leave the people there. With Digital Playground I love the productions and I've gotten to know everybody. Now I'm getting that feeling that I used to have with Adam & Eve and it's a good spot.

CH: Scale of one to 10 where would you rate yourselves?
JJ: I don't know? *(Laughs)* I don't rate myself. No! That would be conceited because I don't know what I am.
BJ: I don't know. That's really hard. I would rate myself really high, not that I'm insecure. I would rate myself a nine. Other people might give me a 10. *(Laughs)*
KK: I don't know. I couldn't give you an honest answer on that one. Plus it changes day to day. It's rough.

CH: Jesse, in our opinion you are the greatest porn star living today. Hopefully you'll continue writing for CHERI for a very long time.
JJ: Thank you! I love you guys too! And I will, I will. I'll be with CHERI for many years!

CH: What would you like to say to all your fans reading this in CHERI Magazine?
JJ: I love my fans. Thank you so much for always getting the magazine and reading my columns, and thank you for being loyal. Y'all just fucking rock!
BJ: Follow me on my Twitter @XXXbibijones. You will not be disappointed. I post a lot of hot pictures.
KK: I fucking love you fans! You're awesome!

ANISSAKATE

french fucker

31287

Anissa Kate stopped by the CHERI Offices a few months ago with European mega-director, Gazzman. "We found her in a swinger's club, in the middle of a gangbang!" Gazzman confessed. "I couldn't believe it! Such beauty and so uninhibited! It's such a rare and magical combination." We witnessed Anissa's magical combination firsthand when she stripped off her top and showed us her magnificent melons. Could she really be as sexually open as Gazzman claimed? Could she get down and dirty enough to make it into our ultra-special, super hot 36th Anniversary issue? "Let me show you," Anissa said. And she did.

CHARLEY CHASE

ALL-AMERICAN **SEXPOT**

Interview by Rob Perez

PORN VALLEY, CA—Charley chase (yes, that is how she spells her name with a lower case c) is one of porn's most popular girls. What makes Charley among the most popular girls in porn today? She's hot. She loves to fuck. She's all natural. She's exotic. She's approachable. And she's not above showing a boob or letting us take a peek at her naked before she enters the shower when she posts pictures of herself on Twitter. Male performers love working with Charley, who's known as one of the best at sucking "the chrome off a steel pipe." We can verify that. Girls love performing with her because she's so soft, smells really good, is a real "girl's girl." We couldn't take our eyes off of Charley when we chatted with her at the Adult Entertainment Expo, but due to the long lines couldn't conduct an extensive interview with Charley until after the convention. But once we got her alone, Charley demonstrated why porn journalists also love Charley chase!

What was the best part of AEE/AVN Weekend?
The best part obviously was meeting the fans. I love my fans.

Were you nominated for any awards and did you win anything?
I was in best Latino feature and that won. I was up for best oral and for a girl three way and other things I can't remember at the moment.

When did you realize your calling to become a porn star?
My porn awakening came after I blew everyone in college! *(Laughs)*

What's the best thing about being a porn star?
The best part is the connection between people I get to make.

What's the worst thing about being a porn star?
Being a porn star is hard on relationships

Where would you rate yourself, looks-wise and body-wise, on a scale of one to ten?
Looks-wise I would I'm an eight, and I think I have a good body. I would say eight on body as well.

What would you say is your best and worst physical feature?
My best features I would say are my eyes. They're very colorful. My worst are my elbows because I can't lick them.

Are you a very dominant or submissive person?
When I'm with men I'm very submissive. However, when I'm with women I love to dominate them.

> **"My porn awakening came after I blew everyone in college.**

Were you the first or last of your friends to lose their virginity?
I was definitely the last of all my friends to lose my virginity believe it or not.

Do you masturbate often?
I usually masturbate three times a day.

Who or what do you think about when you masturbate?
I don't really think about any one person or anything else in particular. I usually just focus on how good it feels when I touch myself.

Do you watch porn regularly? What kind of porn movies do you like watching?
I never watched porn before I got into the business and I still never watch porn.

What sexual fantasies have come true for you since you started working in porn?
I have always been curious about BDSM and orgies, and since I've been in porn both fantasies have come true.

Describe one of the hottest scenes you've ever been involved in. What movie was it for and who did you appear in that scene with?
I did a scene where I performed with Johnny Castle for a Penthouse film under the direction of Natasha Nice. He was amazing to work with!

What do you need to create a really hot sex scene?
The one thing you definitely need in order to create a really hot sex scene is passion. Just give me that and I'm good to go.

What girl in the business would you most like to have sex with and why?
Alexis Texas because she rocks and she rocks my world when we work together.

Describe what your kinkiest, wildest sexual fantasy is?
My wildest fantasy would be to have sex in the middle of a football stadium while people watched us. Wouldn't you want to see that?

Yes we would! How about one-night stands? How many have you had, and can you describe how one of those encounters came about?
I've had several one-night stands and they all usually start at a bar or at a party. A little alcohol goes a very long way.

What size cock do you prefer?
Preferably a nice 10 inches is a good size for me.

Do you like eating a girl out?
Yup! I love eating pussy!

Are you a true bi-sexual or do prefer one more than the other?
I prefer men but I love to play with girls. Don't you?

Absolutely! What was your first experience with a girl like? Was it a good or bad experience?
It was. It happened when I still lived in Louisville and I was nervous, but it was fun.

What kind of girls are you into? Have you ever had a relationship with a girl?
I love dark-haired girls, brunettes. I did have kind of a relationship with a girl if that counts.

What is your favorite sex act?
Right now I'm practicing anal and so far I'm enjoying it. Keep your eyes open for that to start happening in my movies soon.

What's one sex toy you can't live without?
I don't need sex toys. I enjoy masturbation with or without a toy. I can't live without that.

What is the weirdest place you've ever had sex?
On the roof of a house. It didn't even belong to either one of us. *(Laughs)*

Which of your movies are you most proud of?
All of my PUBA (an adult network) movies. *I Am Charley* is the one that is currently out.

What's one superpower you wish you could have?
I wish I could read minds.

Which male and female celebrity would you most like to have sex with and why?
Male it would be The Rock Dwayne Johnson. I like big, muscular, tan men. Women it would be Halle Berry because I bet she is feisty in bed.

Have you ever had a well-known celebrity ask you out or to hook up with him? Did you and can you describe the encounter?
Yes and it was lavish. Each time I go out with a celebrity or athlete it is all very secretive.

"I'm practicing anal and so far I'm enjoying it.

Which movies of yours should our readers look out for in the future?
I Am Charley just hit the shelves so I hope my fans go out and purchase that legally! No pirated downloads!

What does the future hold for you?
My fans have been asking for it and the future holds for me anal sex in my films. It will be coming soon. I can't wait to give my fans that gift.

Anything you'd like to say in closing to the CHERI readers?
Come play with me at charleychase.com, the ultimate place to talk and communicate with me!

HARMONY FILMS WASTED

HARMONY FILMS GETS YOU **BLISSFULLY FUCKED UP!**

By Kotch Johnson

British director Gazzman's built quite a reputation over the past couple years as he's climbed the ranks of porn's elite filmmakers. Behold his crowning jewel to date, a mock-reality romp that lies somewhere between spoof, reality porn, and often hits awkwardly close to home: *Wasted*. A series of directed-yet-improvised scenes tell an edgy tale like a dirty soap opera, complete with self-destructive character flaws, mercurial behaviors, and a whole lot of hot sex. Follow real porn actors and actresses as they expose their flaws and fight their demons while fucking their brains out—all for your viewing and wanking pleasure. It's part cathartic, part therapy, and wholly captivating. See for yourself as we go on the set of *Wasted*.

BROOKLYNLEE

James Deen plays a drunk maniac, steeling booze from passed out bums, pissing on windshields ,and acting like a surly scumbag. Fortunately he doesn't suffer from whisky dick, and can get it up just fine to fuck Brooklyn Lee's tight little asshole. She's even down for some ass-to-mouth cock-slobbering as the stocking-clad slut grinds Jimmy Deen's sausage up her caboose 'til the alky blows his top, and smothers her hiney with his white glue!

ANGELINAVALENTINE

Angelina play's porns prototypical psychopath—unstable, insecure, and self-medicating by being a nymphomaniac. She might mask her issues with carnivorous sex, but who cares how screwed up she is when she's screwing like this? The big-titted brunette has a pussy like a suction-cup, vacuum-sealing cocks in her hole, and grinding until the voices in her head are flooded into silence by a tidal wave of splooge!

KELLYKLASS

Nacho Vidal's got anger issues—he shouts all the time, throws shit around the room, and even smashes the camera of a paparazzi who wants to interview him. Then he storms off and fucks his co-star Kelly Klass with a terrible vengeance, mouth-fucking the small-titted sexpot, and riding her rough-shod 'til he feels better about himself by cumming all over her face—nothing like a little sexual healing!

AIDENSTARR

Perhaps the best scene in the movie comes with pretty-boy Nick Manning, a boundary-laden porn star who "doesn't do humility." That's funny—it seems when the camera's off, Nick's off getting humiliated by women as the only means to turn him on. Just ask Aiden, who's got him strapped to a table. Maybe Gazzman wasn't supposed to release this scene. Oops, sorry Nick, the cat's out of the bag, and you're on a table getting yelled at and teased by a leather-clad lust-pot!

BREANNEBENSON

This pierced slut works out her porn aggression by staying in shape, and becoming a gym rat. So is her boyfriend, who gives her one helluva workout. The scenery is industrial, and the fucking is raw. While Breanne's pumping iron, her muscle-headed man is pumping her pussy full of ball juice, and violating her innards. Hope you remembered your birth control pill today, Breanne—creampie's on the menu!

SELENA ROSE

pretty petals

Like so many great and powerful American women before her, anniversary covergirl Selena Rose began her career as a Hooters girl. Imagine Selena bringing you another pitcher of beer, and clearing away the bony remnants of your hot wings. She doesn't notice the greasy fingerstains on your t-shirt, and she doesn't scowl when you stare at her cleavage. She likes when you look at her. "It a way, working at Hooters did prepare me for a career in porn," Selena says. "You meet lots of new people, and you get leered at a lot. You also get used to getting dirty, and working around strange smells!"

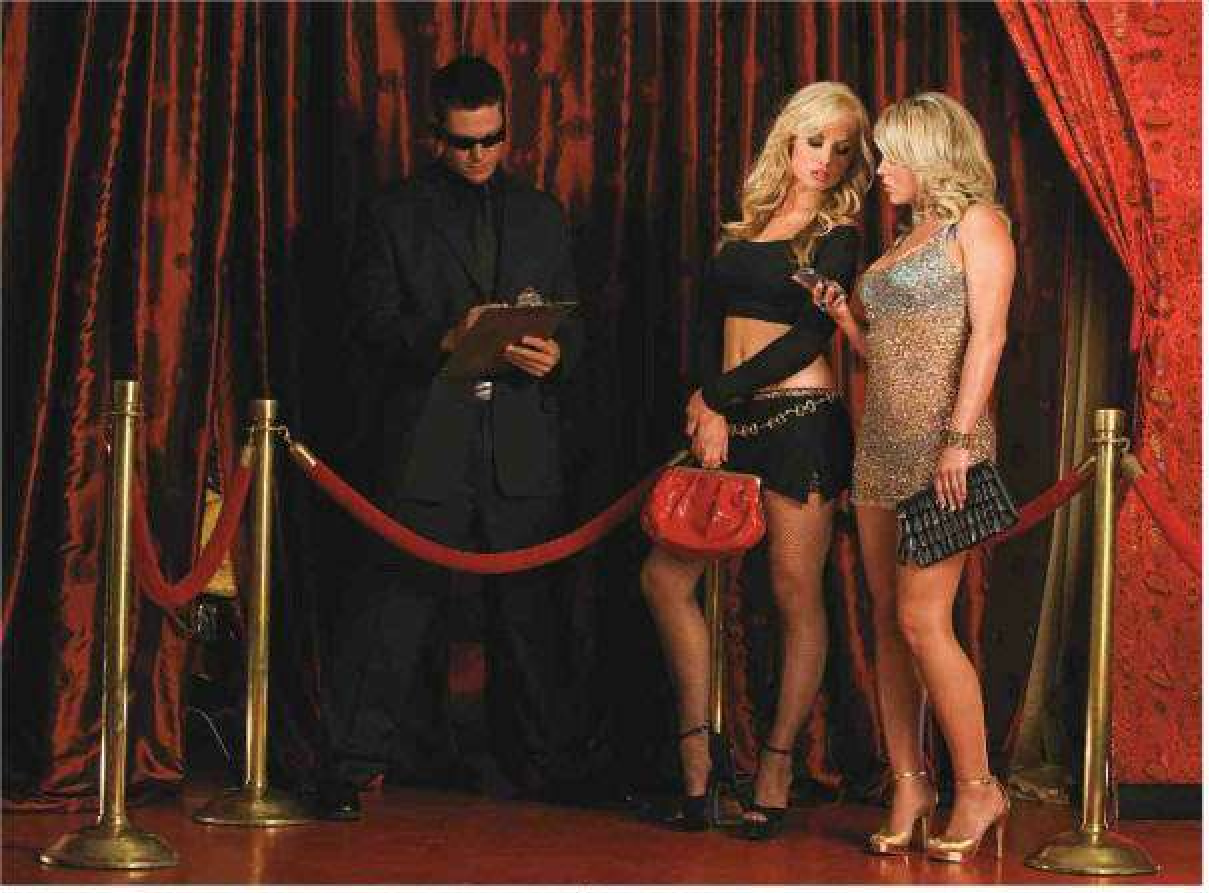
BREE OLSON
& KAYDEN KROSS

party girls



Damn, this CHERI 36th Anniversary Party is rockin'! But have you seen Bree Olson and Kayden Kross? They were on the guest list. We hope they didn't get held up by the bouncer working the front door. We gave the guy a detailed guest list, but we heard he's being kind of a prick, hassling the girls before letting them in. We hope he doesn't pull that shit with Bree and Kayden. We hope he doesn't make them suck his cock in order to get into our party. We hope he doesn't spread their hot, pink holes, and shoot ropes of thick cum all over their pretty faces. And if he does, that bastard better take some pictures!

I'M JUST STARTING TO LEARN!

ROCK HARD AT THE HARD ROCK

CHERI GOES BEHIND THE SCENES AT THE 2012 AEE/AVN AWARDS SHOW!

The 2012 Adult Entertainment Expo (AEE) took place at the Hard Rock Hotel and Casino in Las Vegas this past January and as always, it was a spectacular event. Bringing together thousands of our favorite porn stars, industry executives, journalists, and retailers from around the world, for the first time ever you didn't even have the leave the comfort of your favorite jerk-off spot. Fans could witness the festivities via a live stream, talk interactively with their favorite performers, and even attend the many official after parties via their computers. 2012 also saw the AEE move from The Sands Expo and Convention Center, to the porn friendlier Hard Rock Hotel and Casino, which also played host to the 2012 AVN Awards Show. A record number of attendees spent their "hard" earned money on autographs, porn, sex toys...anything they could bring home that might incur scrutiny and maybe some laughs at airport security.

BRING ON THE **BABES**

Let's just talk about the real reason we go to AEE/AVN every year—the girls! You couldn't miss the gigantic Elegant Angel booth that was home to Asa Akira, Holly Michaels, Jessie Andrews, and Kagney Linn Karter. AEBN featured the likes of Lexi Belle, Breanne Benson, Sunny Leone, Kirsten Price, and Allie Haze. Exquisite/Extreme Comixxx/Pleasure Dynasty featured Chanel Preston who gets our vote for most beautiful girl at the convention, Jacky Joy, as well as London Keyes and Charley Chase. 2004 CHERI Tart Of The Year Jelena Jensen, signing at the Girlfriends Films booth, looked like a goddess as usual.

Evil Angel, who not only had the best looking booth, complete with its own retail store, also had signing for them the 2012 AVN winners of Best New Starlet and Performer of the Year—Brooklyn Lee and Bobbi Starr, respectively—and the living legend Belladonna.

Jules Jordan Video always has lots of hotties signing for the company. Alexis Texas and Kristina Rose were probably the busiest girls signing at the AEE all four days. Abella Anderson, in the business for only a year, also had a long line of fans waiting to speak to her the moment she set foot in the Hard Rock.

DIGITAL PLAYGROUND ROCK (HARD) STARS

When the girls of Digital Playground came down to take their place at the Digital Playground booth, they were treated like royalty as people got out of their way and were looked upon in awe. It's safe to say the Digital Playground girls are "Porn Rock Stars" as fans and media swarmed all over them to nab a few precious minutes of their time. The DP girls are always among the busiest girls signing at AEE, and this year was no different. Led by our beautiful Entertainment Editor Jesse Jane, DP definitely has one of the hottest line-ups of contract girls—Kayden Kross, Stoya, Selena Rose, Bibi Jones, and Riley Steele.

"I am definitely a porn star," said Jesse when CHERI spoke to her and asked her to define what a porn star is. "A porn star actually likes sex, will be crazy, doesn't look at the camera, and is actually there to fuck. There are girls who are really made for this that stand out." We agree with you Jesse, who went on to say that in order to be a true porn star you got to love to fuck. "You got to be crazy in bed, you got to love sex, you got to be horny all the time and...you have to be there for your fans. There are people who make you a star and that is your fans.You have to be always involved with your fans."

We had to ask Jesse why she loves writing for CHERI and she says it's because she gets to "tell these crazy stories to people and talk to them. I feel like I'm talking to my fans and CHERI is my favorite magazine to write for. I love my fans. Y'all just fucking rock!"

Bibi Jones, one of DP's recent additions admitted to us that the morning of the first day of signing she found time to have a quickie in the bathroom. "He came inside my mouth so there wasn't any evidence."

Kayden Kross also wasn't modest when we asked her if she considers herself a porn star, and we definitely agree. "I am a porn star. I think it's kind of a shifting changing thing all the time. I think there a few "porn stars" left. I would say the ones who are porn stars are the ones signing at the big booths." Her message to her fans, "I fucking love you fans. You're awesome!"

THE **AVN AWARDS** SHOW

The big night as always is the AVN Awards Show, always a night full of wild and wacky moments. Hosted by comedian Dave Attell, he joked "This is a sexy hotel, man; they sell lubricant in the gift shop—but who can afford lube in this economy, am I right? I'm a spit and gravy man, so I'm OK. I like it all: Spit, gravy, tears, I don't give a shit."

Among the evening's big winners were Digital Playground for their special-effects laden *Top Guns*, Wicked Pictures *Rocki Whore Picture Show: A Hardcore Parody*, while Elegant Angel took home top honors in the All-Sex and feature films category for *Asa Akira Is Insatiable 2* and *Portrait Of A Call Girl*, respectively.

Asa Akira was also a big winner. Not only was *Asa Akira Is Insatiable 2* a big winner, but was also the recipient of Best Anal Scene. If there were an award for hottest speech Asa would have also won hands down as she accepted her anal award. "Fuck yeah!" shouted Asa. "Thank you, Elegant Angel, and thank you to my asshole." When *Asa Akira Is Insatiable 2* took the Best All-Sex Release award, Asa confessed, "This movie was like the best experience of my life. My ex-boyfriend broke up with me over this movie, so yeah!"

STAR WARS XXX: A PORN PARODY ⚡⚡⚡⚡⚡

(Vivid) Starring: Allie Haze, Brandy Aniston, Eve Laurence, Gia DiMarco, Jennifer White, Kimberly Kane, Rihanna Rimes, Jennifer Dark, Kylie Ireland, Lily Cade, Lizzy London, Rylie Richman.

May the porn be with you! Perhaps the most eagerly awaited, overdue porn parody has finally arrived, and director Axel Braun made his lampooning of this sci-fi classic well-worth the wait. Great storylines, costumes, humor and cast are only outdone by the great sex, which is quite an amazing achievement to strike sweet sexual chemistry considering all that is going on. Allie Haze blows us away as Princess Leia, especially when she blows the black menacing evil-doer known as Darth Vader (aka Lexington Steele). Fans of the original 70's hit will love Tom Byron's spot-on, ass-eating impression of Obi-Won, cracking jokes while butt-fucking a beautiful sandperson (Jennifer White) hunched over a land speeder. Throw in some cantina orgy scenes and a Chewbacca 3-way wookie-nookie inside the Millennium Falcon and you've got the greatest sci-fi sex-spoof ever made. Well-done Vivid—this top-notch release will leave you stroking your Ewok and spewing light saber sauce all over the floor!

IN ANAL SLUTS WE TRUST ⚡⚡⚡⚡

(Jules Jordan) Starring: Lea Lexis, Jessica Moore, Tarra White, Clarissa, Lucy Cattiva.

It's hard to imagine putting all your trust into an anal slut if it weren't for Jules Jordan's reassuring, rectal-reaming ways. Now in its fourth installment, this patriotically titled series has indeed earned the trust of loyal legions of fans who've cum to expect certain 'standards' of filth and depravity. One unexpected twist was the use of an all-foreign cast, a breakaway from the domestic hotties in past installments. But fear not—who better to take multiple cocks up the ass than sleazy Euro-sluts? For three long, hard hours, foreign fuck-holes are violated in shocking and oft-disturbing ways, usually involving DP's and crack-spackling splooge launches. Be sure to check out Jessica Moore and her heart-shaped hiney frantically engulfing two cocks in what appears to be a crack house (as only a true anal slut would have it). Skinny brunette Clarissa deserves a dishonorable mention as well for her strange penchant for tasting her own asshole—though in her defense, she did swallow about two pints of sperm as well! It's nasty, plotless, shameless anal sex, and trust us when we say you'll enjoy the hell out of it.

FATHER FIGURE ⚡⚡⚡⚡

(Sweet Sinner) Starring: London Keyes, April O'Neil, Katie St. Ives, Melanie Rios.

We wouldn't expect a couples-friendly studio like Sweet Sinner to tackle delicate daddy issues with emotionally fragile young girls, but that's exactly what we get in this edgy, creepy, captivating cut. Things go awkwardly beyond the usual generic 'mom's boyfriend' storyline here in four plot-heavy, twisted tales. The scenes are each filmed in one take, adding to the realism and emotional intensity. Katie is a gifted student with some real issues, kicked out of school and forced into a home-schooling with Mr. Marcus, who offers her the enormous guidance and wisdom she so desperately craves. London discovers Mom's new boyfriend is the older man London has been dating for months, and must now call him "Daddy." Nick gets way too close to his daughter's sexy, troubled friend April, and Ben develops an unhealthy obsession with a teen beauty queen. Hot, dirty sex and downright perverse plots make *Father Figure* a captivating, cutting edge classic that'll make your skin crawl and your dick stand at full attention. Couples series my ass!

MOM'S CUCKOLD 8 ⚡⚡⚡⚡

(Reality Junkies) Starring: Julia Ann, Katie St. Ives, Sarah Vandella, Katie Kox, Cece Stone.

When frustrated MILFs can't stomach their husbands' inadequacies anymore, there's only one place to turn—to a big black stud! But not before humiliating their hubbies in the process by making them watch in horror, which is exactly what happens in *Mom's Cuckold #8*. This screwy interracial series turns out some of porn's primo cougars taking on younger, darker meat with a spiteful, downright delightful revenge factor. Julia Ann's man brings her home a toy, only to find her with a big black boy-toy! Cece's husband is a coach, and she helps him "scout" the talent. Katie visits her man in the can, but takes it in the can instead from his big black roommate. Sarah calls her bed-ridden hubby a house doctor, but ends up getting a tune-up of her own. Katie's husband stiffed a big black cabbie, so she sucks his stiffy to pay him off. As usual, the Reality Junkies have found the perfect combination of laughs, gasps, and ass, and you'll be left wanting more, because eight is definitely not enough!

31159

OLD ENOUGH FOR ANAL ⚡⚡⚡

(New Sensations) **Starring: Lisa, Anastasia Brill, Debbie White, Netu, Kitty.**

Eighteen isn't just the legal age to vote—it's also the legal age for a hot teen girl to get butt-fucked! And though it's a green light to wreck your favorite cutie's rectum, not every young girl is game. It takes a special, deviant, open-minded debutante to spread her ass cheeks apart, and take a big cock in her can. Call it curiosity. Call it moral-less debauchery. Call it what you will, but New Sensations calls it *Old Enough For Anal*, and this latest, labia-less lucidity will have you calling for another box of Kleenex! A can't miss scene features pretty Kitty's itty-bitty titties, bald beaver, and tight asshole that's cravin' a cock. After her boyfriend gently inserted his flesh-pole into her ass, he picked up the pace, and started humping and hammering her hiney-hole until Kitty's kiester was crammed with cock. Talk about cumming of age!

BLACK SCARY MOVIE

(West Coast Productions) Starring: Bella Moretti, Skin Diamond, Jade Nicole, Misty Stone, Rihanna Rimes.

A classic (mastur)bate & switch if ever there was one, *Black Scary Movie* leads you to believe that it's a porn parody of the hit horror flick *Scary Movie*. Guess again—other than a few plotty minutes in the beginning and a few at the end, this is more or less your standard 5-scene, anal-less, bore-snore-galore misnomer. Don't get us wrong—there's some decent dark meat and some fine, run-of-the-mill action here, with some well-captured chemistry, highlighted by Skin Diamond's mouthful. But the lack of suspense led to some rather boring bonings, and we probably would have liked it more if our expectations were less. That's the problem when you don't deliver on your porn-parody promises—it leads to limp-noodle lameness, and probably ain't worth the time and effort.

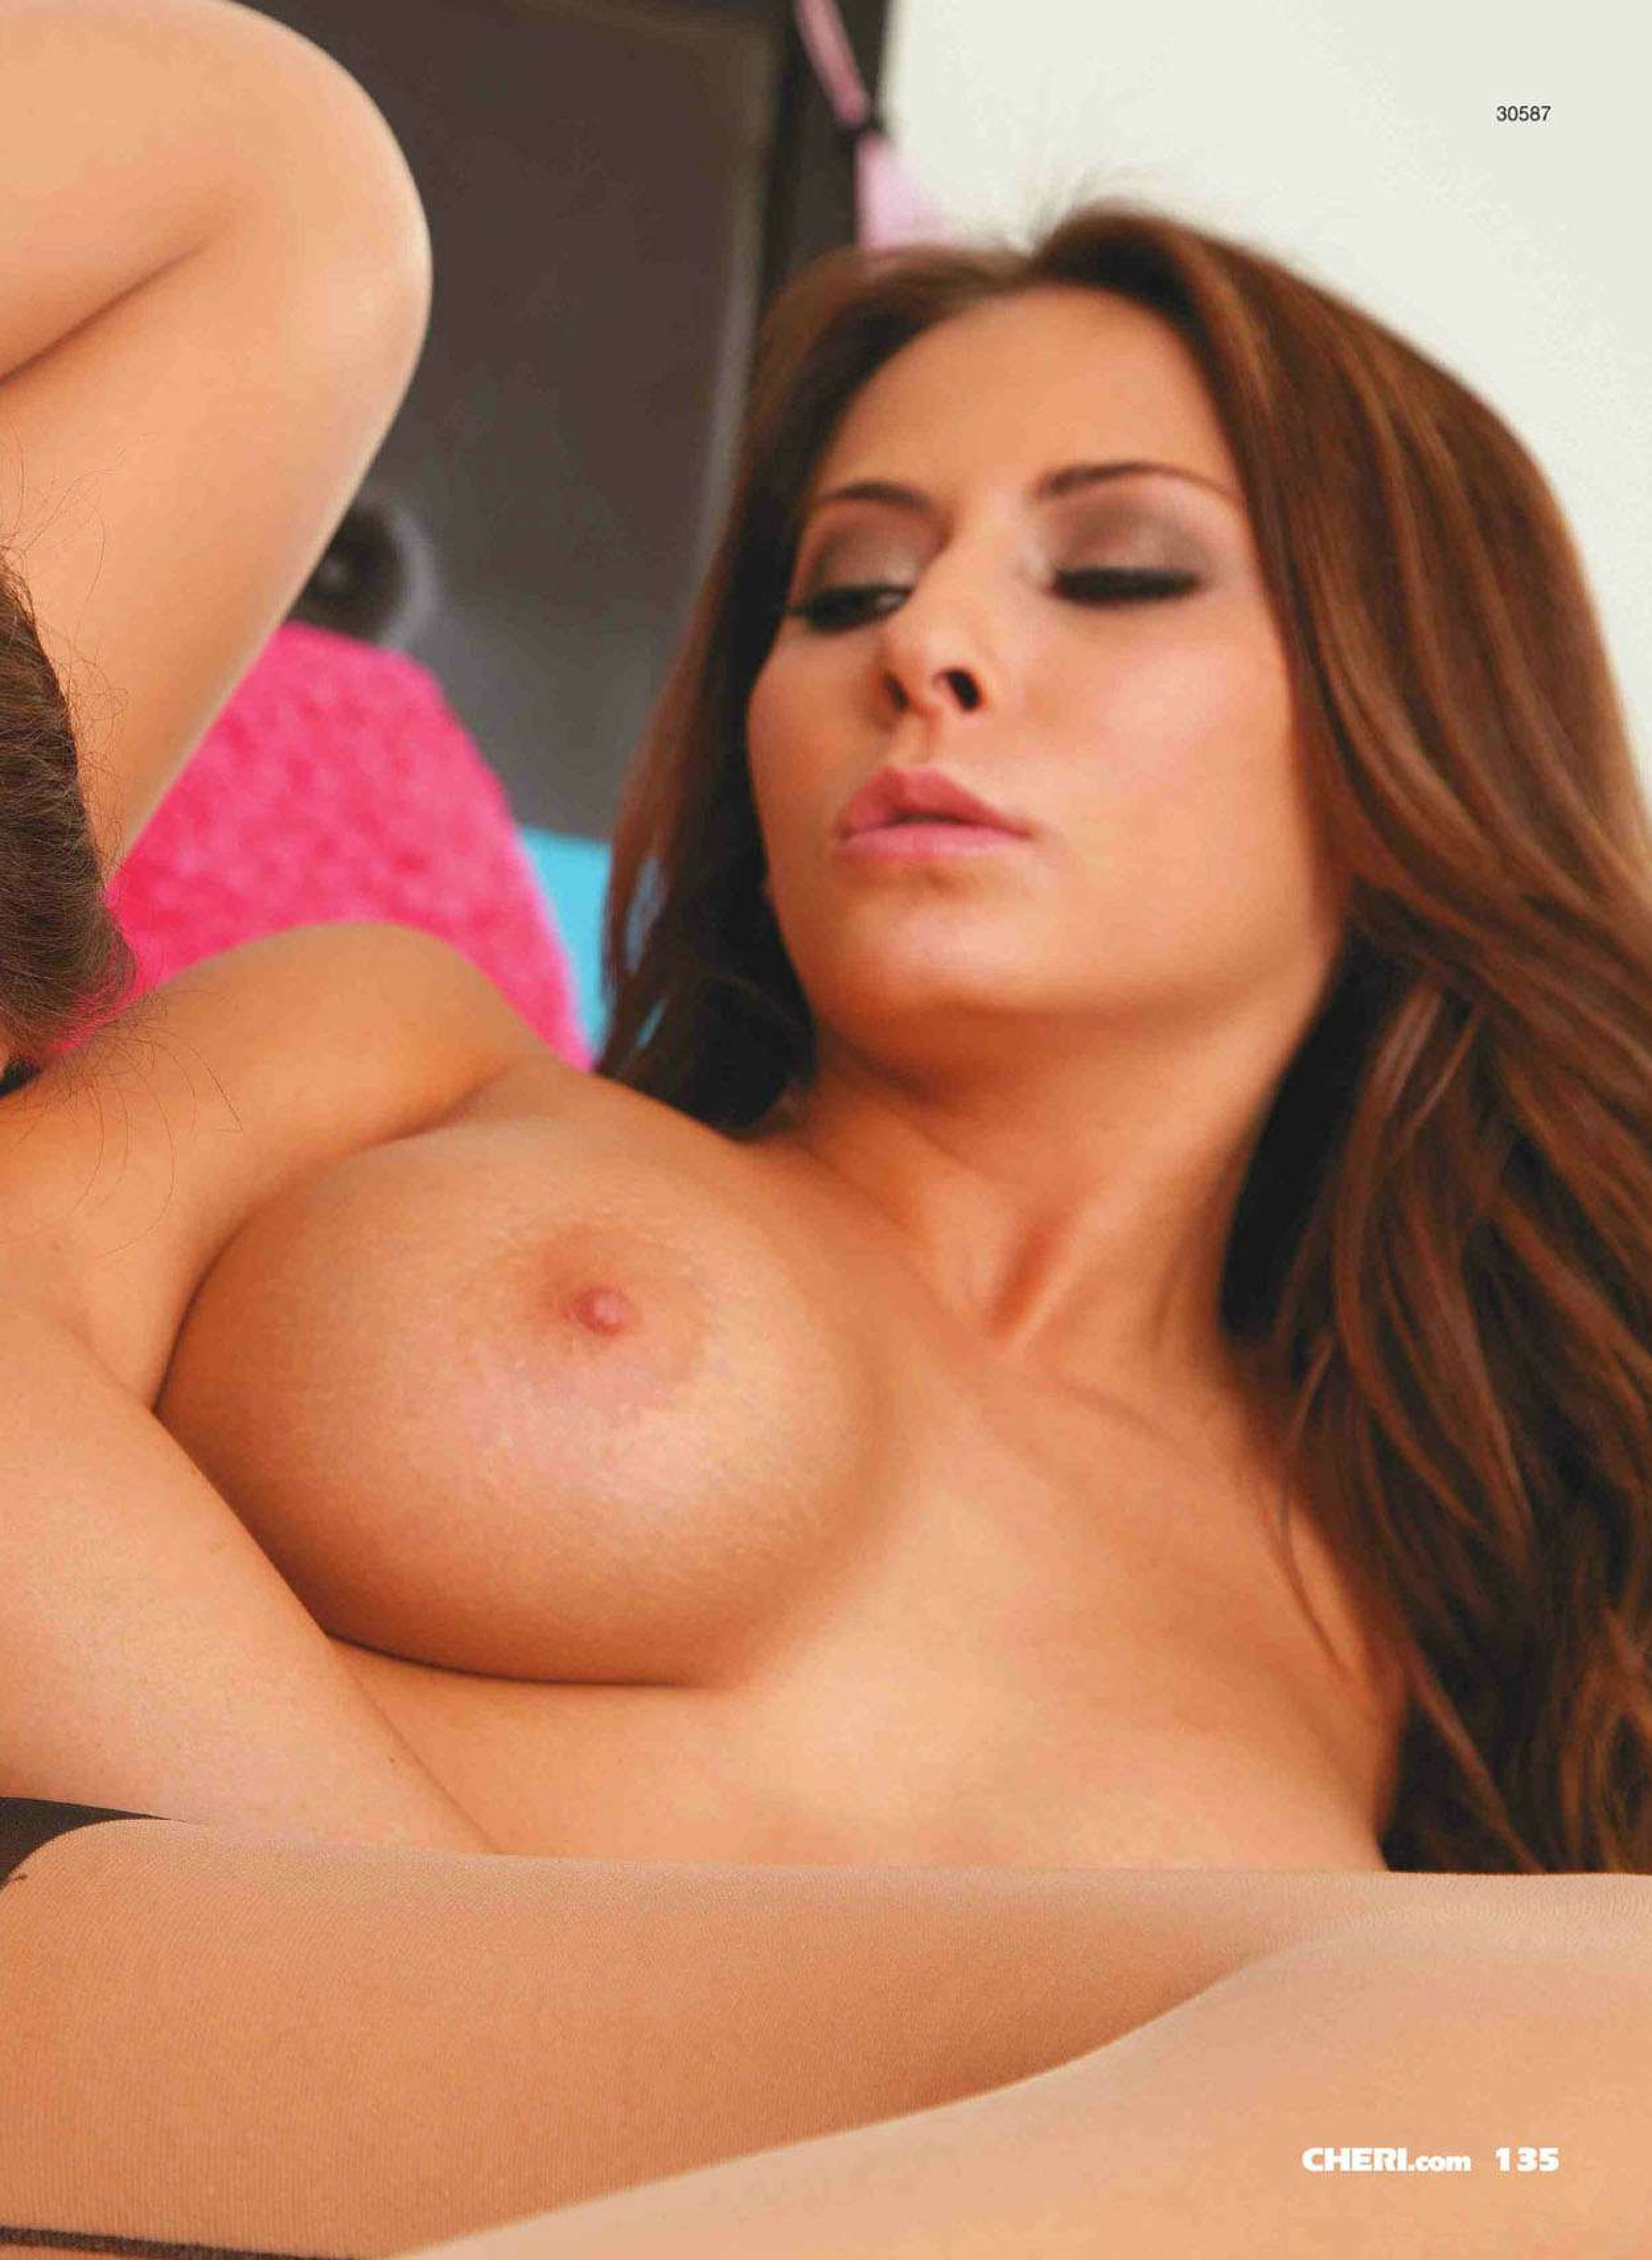
ALISON STAR & MADISON IVY

climactic finish



30587

We contacted XXX starlet Madison Ivy and told her we needed her to be in the closing set of our 36th Anniversary Fuck-Fest Blowout. "We need the set to be big. Spectacular," we told her. "We need fire. And explosions. Maybe something with a helicopter and stuntmen." But Madison had other ideas. "How about me and my friend Alison Star come by and get dirty for you," she said. "We'll bring our toys and our stockings, and we'll show you how we like to play, how we eat pussy, and finger each other's ass." Damn, it feels like there's a fire in our pants! Uh-oh…here cums the explosion!
